Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- OK to film at Cabrillo Beach.
- OK to film resort scene with cabanas, Palm Trees and beach chairs on outer beach.
- OK for company to bring sand onto county beach.
- OK to have 5 gators and 2 bobcats on sand.
- All gators and bobcats must remain above tide line.
- OK to use entrance to beach at the yellow swing gate near the parking booth to bring sand onto the beach.
- OK to move seaweed for scene, seaweed must be placed back to original place upon completion of filming.
- OK to park within circle in front of Bathhouse.
- Must leave all staff parking stalls, handicap stalls open and 3 additional spaces for park patrons to park.
- Co. must maintain a 20' emergency lane clear at all time in front of the Bathhouse.
- No staking or digging in the sand permitted.
- No production personnel or equipment allowed on the County Lifeguard Tower or in the water at any time.
- OK to use areas of parking lot, that were arranged and paid for through Park Services only, for crew cars and basecamp.
- Must abide by all rules and restrictions given by Park Services for use of parking lot.
- Call parking division for vehicle/equipment parking location questions and concerns Roxana Perla (310) 548-7568 or (213) 798-8447.
- Must maintain access for all lifeguard emergency vehicles at all times.
- Must maintain 100% through access for all Emergency Vehicles.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.

NOT A PERMIT

- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
